

2016 Rachmiel Levine-Arthur Riggs Diabetes Research Symposium

Grant Award Details

2016 Rachmiel Levine-Arthur Riggs Diabetes Research Symposium

Grant Type: Conference II

Grant Number: EDUC1-08626

Project Objective: This meeting successfully fulfilled the purpose of CIRM 2.0 Conference Grant. The CIRM pitch during the meeting yielded a notification to the Therapeutics Team that an application from DiaVacs would occur in the future. Overall, the meeting fulfilled the the organizers' objectives and CIRM's mission.
CIRM attendees appreciated the focus on therapies and the clinic as well as the top notch speakers.
